Refresher Training Statement

To remain eligible for listing on the Federal Motor Carrier Safety Administration's (FMCSA) National Registry (NR) and as required under **49 CFR 390.111(a)(5)(i)** Certified Medical Examiners must maintain medical examiner certification by completing training and testing requirements. FMCSA will provide the required (5) year refresher training online to Medical Examiners at no cost. Medical Examiners eligible to take the (5) five-year periodic online training will be notified by FMCSA when the training is available and the examiner is able to access the training site.

Please insure your National Registry account Profile information page is accurate and current. Failure to complete the required training will result in removal from the National Registry.

Please contact the Medical Program Office at 202-366-4001 if you have questions.
